**2024 IEEE 3RD INTERNATIONAL CONFERENCE
"PROBLEMS OF INFORMATICS, ELECTRONICS
AND RADIO ENGINEERING"**

**15-17TH
NOVEMBER, 2024**

HYBRID EVENT

CALL FOR PAPERS

participants

Scientists, engineers, graduate
and PhD students

work language

The official language of the report presentation is English or Russian
(the text of the presentation is English)

sections

- / Digital signal processing and radio system modeling
- / Antennas and radio frequency devices
- / Electrical engineering and circuitry
- / Electronic devices in industry, medicine, metrology
- / Automation and information systems
- / Mathematical modeling and machine learning
- / Digital energy management
- / International Symposium on Electrical Power Drive Systems (face-to-face event)

Accepted and submitted papers will be submitted for review and inclusion in IEEE Xplore. IEEE does a lot of work to disseminate articles, providing abstracting and indexing in international databases (SCOPUS, etc.).
