2026 IEEE 4TH INTERNATIONAL CONFERENCE
"PROBLEMS OF INFORMATICS, ELECTRONICS
AND RADIO ENGINEERING"

20–22ND
NOVEMBER, 2026
HYBRID EVENT

CALL FOR PAPERS

participants

Scientists, engineers, graduate
and PhD students

work language

The official language of the report presentation is English or Russian
(the text of the presentation is English)

sections

- / Digital signal processing and radio system modeling
- / Antennas and radio frequency devices
- / Electrical engineering and circuitry
- / Electronic devices in industry, medicine, metrology
- / Automation and information systems
- / Mathematical modeling and machine learning
- / Digital energy management

Accepted and submitted papers will be submitted for review and inclusion in IEEE Xplore. IEEE does a lot of work to disseminate articles, providing abstracting and indexing in international databases (SCOPUS, etc.).
